STEPS TO USE THIS VOTER GUIDE

- Determine your NH Senate District. You may have to call your town clerk, or visit www.nhrtl.org for a tool to use.
- Based on the party you are in, examine the candidate data for each contest over your district. Use the key above, but the more "L" (for LIFE) a candidate shows, the more you may trust they are sincerely pro-life.
- Contact the candidates you want to support and offer your help. Contact information is available at www.nhrtl.org
- Tell friends and neighbors who the pro-life candidates are.
- VOTE only for pro-life candidates! Never vote for incumbents who have voted in support of the ultimate child abuse, or so indicate on surveys!

Gubernatorial, Executive Council, and Senate candidates with September Primary contests were sent a survey during July. The House candidates were not surveyed because of the delay over re-districting.

For brevity, we are only showing the CONTESTED races here, but the NHRTL-PAC website has information on all the candidates. If a non-incumbent neglected to return the survey, they are not listed below.

The survey returns, combined with selected votes by incumbents, appear for your analysis. We encourage you to contact all candidates for each race in your district.

The best way to maximize the value of your pro-life votes is to vote ONLY for known pro-life candidates, especially those endorsed by the NHRTL PAC. We've done the work for you, but surveys can be deceiving. For more information, call 603.626.7950 or e-mail us at life@nhrtl.org.

NHRTL-PAC encourages proactive pro-life support for Gordon Humphrey, Dave Wheeler, Jack Barnes, Bob Boyce, Russ Prescott, Shelia Roberge, Jim Boyton, Gary Daniels, Bea Francoeur, and Andy Martel.
