

2020 Roll Call votes on Life Bills

Votes are abbreviated with 'L' for votes agreeing with NHRTL to pass the bill; 'A' for voting to kill the bill [and the babies]; 'NV' for Not Voting without being excused [usually present and voting for other bills but not voting on this bill]; and 'Exc' for not voting when excused [usually absent for the day, but sometimes excused for other official business for this vote only].

The list is sorted by Representative's last name.
