

NHRTL-PAC '22 NH GENERAL ELECTION VOTING GUIDE

NH Right to Life Political Action Committee (NHRTL PAC) makes available this 2022 NH General Voting Guide to assist life-minded voters in choosing candidates for the state offices of: **Governor, Executive Councilor, State Senator, and State Representative.**

NHRTL PAC urges conscientious pro-lifers to support the below candidates on Election Day **Tuesday, November 8.**

Recommendations are either:

- **Endorsed:** NHRTL-PAC's highest recommendation. A candidate has affirmed that they are strongly pro-life through a survey or voting record. We believe endorsed candidates will defend all human life without exception.
- **Supported:** candidates that we didn't endorse who we believe would be the most life-affirming choice in a *particular* race. Note that this depends heavily on the context of the race and could range from candidates that are strongly pro-life to those that don't openly advocate rolling back the existing protections for preborn children.

Information used in this voter guide came from various sources, including a survey conducted by NHRTL PAC, voting records (where available), and public statements. Only a candidate's views on protecting life were considered. Only candidates that are endorsed or supported are included here to save space.

To maximize the impact of your vote, it is recommended to only vote for the candidates listed here in State House races where you could vote for additional candidates.

To find your list of candidates and districts, visit citizenscount.org/elections , select your town or ward, then scroll to *Upcoming Elections* to see your candidates. Information on voting can be found at the [NH Secretary of State website](https://www.nh.gov/secretary-of-state).

Political party abbreviations used:

D: Democratic, **IND:** Independent (e.g. no party), **L:** Libertarian, **R:** Republican
