

NHRTL-PAC '26 NH PRIMARY VOTING GUIDE

NH Right to Life Political Action Committee (NHRTL PAC) makes available this 2026 NH Primary Voting Guide to assist life-minded voters in choosing candidates for the state offices of Governor, Executive Councilor, State Senator, and State Representative.

NHRTL PAC urges conscientious pro-lifers to support the below candidates on Primary Day Tuesday, September 8.

Recommendations are:

- **Endorse:** NHRTL-PAC's highest recommendation. A candidate has affirmed that they are strongly pro-life through a survey or voting record. We believe endorsed candidates will defend all human life without exception.
- **Support:** candidates that we didn't endorse, but who we believe would be the most life-affirming choice in a *particular* race. Note that this depends heavily on the context of the race and could mean that a candidate is strongly pro-life or that they simply don't openly advocate for abortion or assisted suicide.
- **Oppose:** candidates who have an anti-life record. For example, they want to legalize the aborting of children at 7, 8, and 9 months by seeking to repeal the Fetal Life Protection Act, guarantee a right to abortion, or support assisted suicide.

Information used in this voter guide came from various sources, including a survey conducted by NHRTL PAC, voting records (where available), and public statements. Only a candidate's views on protecting life were considered.

To find your list of candidates and districts, please see citizenscount.org/elections and scroll to *Upcoming Elections*. Information on voting can be found at the [NH Secretary of State website](https://www.nh.gov/secretary-of-state).

Only candidates in contested primaries are included here to save space. Candidates for whom we have insufficient information and those whom we do not support, endorse, or oppose are also omitted. **A candidate's absence does not mean we wouldn't endorse or support the candidate in the general election.**

Important: Please visit nhrtlpac.org closer to the Tuesday, November 3 General Election to find an updated Voter Guide. You will also get an email notification if you subscribe to the [NHRTL email list](#).
