

NHRTL-PAC '26 NH GENERAL VOTING GUIDE

NH Right to Life Political Action Committee (NHRTL PAC) makes available this 2026 NH General Election Voting Guide to assist life-minded voters in choosing candidates for the state offices of Governor, Executive Councilor, State Senator, and State Representative.

NHRTL PAC urges conscientious pro-lifers to support the below candidates on Election Day Tuesday, November 3, 2026.

Recommendations are:

- **Endorse:** NHRTL-PAC's highest recommendation. A candidate has affirmed that they are strongly pro-life through a survey or voting record. We believe endorsed candidates will defend all human life without exception.
- **Support:** candidates that we didn't endorse, but whom we believe would be the most life-affirming choice in a *particular* race. Note that this depends heavily on the context of the race and could mean that a candidate is strongly pro-life or that they simply don't openly advocate for legalizing the abortion of 7 and 8 month children or assisted suicide.

Information used in this voter guide came from various sources, including our own survey, voting records, and public statements. Only views on protecting life are considered.

To find your list of candidates and districts, please see citizenscount.org/elections and scroll to *Upcoming Elections*. Information on voting can be found at the [NH Secretary of State website](https://www.nh.gov/secretary-of-state).

Please visit nhrtlpac.org to find the latest version of this voter guide. To keep up to date on the pro-life movement in NH, subscribe to the [NHRTL email list](https://nhrtlpac.org/subscribe) at [nhrtl.org/subscribe](https://nhrtlpac.org/subscribe)

If you find issues with this guide, please let us know: life@nhrtlpac.org.

At NHRTL-PAC, our **sole mission** is to advance the cause of Life from conception to natural death; we have never betrayed that cause, and we never will. As a **volunteer-led organization**, we have nothing to lose by standing for the right to life **without exception**. This requires that we must take a stand – sometimes even in contradiction to our allies – to be sure that we **endorse only candidates that pledge to vote 100% pro-life**. To the best of our knowledge, this is the only voter guide in NH focused on the life issue.

GOVERNOR

Candidate	Recommendation
Kelly Ayotte	Support. Kelly Ayotte has publicly stated that she would veto any changes to NH's 6 month protection for preborn children (the Fetal Life Protection Act), whether to protect more children or to remove it. (Boston Globe, 6/14/24)

EXECUTIVE COUNCIL

The Executive Council (EC) has several responsibilities, which include approving contracts for the state. All 4 current Republican EC councilors have voted or pledged to keep our tax dollars from subsidizing abortion providers. Conversely, all Democratic EC candidates have expressed support for giving taxpayer subsidies to abortion providers.
